

## Specifications

### Outdoor Bathrooms

Are you looking for that exciting new outdoor bathroom. Then Sydney Bathroom Hires Outdoor Bathrooms provides the perfect solution. Our units are purpose built for your needs and eliminate the usual hassles of on-site construction as the ensuites arrive on-site fully constructed. Ensuites may require a Hiab crane or forklift to remove it from the delivery truck. This is not included in any pricing from Sydney Bathroom Hire.

#### Our Ensuites Feature:

- Fully moulded interior
- Shower, hand basin and toilet fitted
- All fixtures supplied and fitted (taps, towel rails)
- Electricals fitted
- Plumbing fitted to unit only
- Lockable door
- Easy to clean inside and out

For the dimensions on the Outdoor Bathrooms please see our floor plan.
